**N-Reduction Yield Underwriting GUARANTEE**

**Sustainability Program Exclusive**

**Want to implement regenerative practices with peace of mind that your yield is protected?**

Sound Agriculture and ForGround by Bayer are pleased to announce an exclusive pilot opportunity to enroll in the Nitrogen Reduction Underwriting Guarantee. Farmers enrolled in the Bayer Carbon Program, the Perdue Sustainability Program, or the CHS Growcentive will have their yield guaranteed for the 2023 season when applying SOURCE Corn to replace 25-50 lbs per acre of applied nitrogen.

This pilot program is a first come-first serve offer limited to the first 25,000 Corn acres enrolled. Farmers may enroll between 250 to 1000 acres of corn in the program.
